The Honorable Judge Bianco:

Recently, I received a full print out of my case docket for the first time. I noticed that Docket #41 was some "plea offer" that the government presented to one of the pre-trial attorneys who represented me years ago. I have never seen nor heard of this "plea offer". From what I was informed by my fiancé, there is no "plea letter" attached to the Docket that she can access to send to me.

Can you ask someone at the Court to send me a copy of the Plea -- so I can see it?

Thanks for your attention in this matter. Sorry to bother you and the Court with this issue.

I remain, respectfully yours,
